ORDER NO. 15 - 009

BOARD ORDER

The following matter came before the Tennessee Air Pollution Control Board on November 12, 2015.

On September 11, 2015, the Knox County Department of Air Quality Management submitted notification to the Division of a regulatory change to the Knox County Air Quality Management Regulations. Details of the revisions are contained in Attachment 1.

A public hearing notice of the proposed revision was published in the June 13, 2015, issue of the Knoxville News Sentinel. The Knox County Air Pollution Control Board approved the revisions to the Knox County Department of Air Quality Management's Regulations on July 15, 2015. The adopted revisions to the regulations are outlined in the Knox County Air Board meeting minutes – Board Action No. 07-15-15 in Attachment 1.

The Division of Air Pollution Control has reviewed the changes to the language in the Knox County Department of Air Quality Management's Regulations and finds them acceptable.

Following the Board's approval, the Knox County portion of the State Implementation Plan shall be amended, and the regulatory amendment outlined in Attachment 1 incorporated.

Approved by the following members of the Air Pollution Control Board of the State of Tennessee, and entered on the 12th day of November, 2015.
